

Testing Locator Registration Form

To help connect physicians looking to refer for the methacholine challenge test with the facilities that offer this service, Methapharm is creating a methacholine challenge testing locator. It will allow users to enter their Zip Code to find the locations near them offering this test using Provocholine. This is a free service being offered to help more patients get access to the testing they need.

Please complete the following details about your facility:

Facility Name:

Address:

City:

State:

Zip Code:

Optional Information

Website:

Phone Number:

Testing Department:

By completing and submitting this form you are consenting to have the information you provided above included in our internal database and on the Provocholine.com website so that we may provide this information to patients or healthcare practitioners (through direct communication with us or by using the “**Testing Locator Tool**” application). At any time, you may request to remove or change your listing within our database. This is a service that we are providing to the public and healthcare practitioners. We are relying on you to provide us with accurate information which we can then make available to others.
